

RECOGNIZING THE 100TH ANNIVERSARY OF THE SCHERERVILLE FIRE DEPARTMENT

**HON. PETER J. VISCLOSKY**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 17, 2014*

Mr. VISCLOSKY. Mr. Speaker, it is with great respect and admiration that I recognize the Schererville Fire Department, as the organization celebrates its 100th anniversary. In honor of this momentous occasion, the Schererville Fire Department is hosting a celebratory event on Friday, September 26, 2014, at the Patrician Banquet Center in Schererville, Indiana.

The Schererville Volunteer Fire Department was established on June 25, 1914, under the direction of Fire Chief Fred Henderlong, and was made up of twenty-five volunteer members. In the early days, the firefighters did not receive compensation for their work. This changed in 1953, when one dollar was given to the members for attending a monthly meeting, responding to a call, or working for one hour. Today, the Schererville Fire Department is a fully paid organization consisting of sixty-one employees. Throughout the years, the department has changed its standards to fit the needs of the community. From purchasing the department's first motorized piece of fire equipment in 1922, to upgrading their ambulance service from basic life support to advanced life support in 2006, the Schererville Fire Department has upheld their mission statement of "serving the needs of its people."

The leaders and members of the Schererville Fire Department continue to touch lives through their outstanding community service, especially to those most in need. Every year, the organization lends its support to a variety of charitable organizations, including Hoosier Burn Camp, the Muscular Dystrophy Association, the American Heart Association, Northwest Indiana Cancer Kids, "Bump Out Cancer," Tri-Town Safety Village, Schererville Baseball League, and the Down Syndrome Association of Northwest Indiana.

At this time, I would like to acknowledge several individuals who, in conjunction with the Schererville Fire Department, have worked diligently to support this outstanding organization. In addition to the firefighters and all of the employees of the department, I would like to recognize Fire Chief Joseph M. Kruzan, Jr., Deputy Fire Chief Robert Patterson, Town Council President Mike Troxell, and Board of Safety Chairman Pete Sormaz.

Mr. Speaker, I ask you and my other distinguished colleagues to join me in congratulating the Schererville Fire Department on its 100th anniversary. Northwest Indiana is both grateful and proud to have had the organization's support during the past 100 years, and for their selfless service, the leadership and members of the Schererville Fire Department are worthy of the highest praise.

HONORING WWII VETERANS OF THE 485TH BOMB GROUP DURING 50TH AND FINAL REUNION IN DALLAS, TEXAS

**HON. JEB HENSARLING**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 17, 2014*

Mr. HENSARLING. Mr. Speaker, today I would like to recognize veterans of the 485th Bomb Group as they celebrate their 50th and final reunion this week in Dallas, Texas.

The 485th Bomb Group was one of four heavy bomb groups assigned to the 55th Bomb Wing during World War II. The 485th began conducting combat operations on May 10, 1944 with a mission to bomb the marshalling yard at what is now Knin, Croatia (formerly Yugoslavia). Their final mission was flown to the Linz, Austria marshalling yard on April 25, 1945. The group received a Distinguished Unit Citation for the June 26, 1944 mission to the Florisdorf Oil Refinery in Vienna, Austria. Despite encountering heavy flak and intense fighter opposition, the Group was able to inflict considerable damage to the refinery, crippling the enemy's vital fuel production during a crucial period of the war.

As we honor these heroes today, I am reminded of what President Calvin Coolidge once said, "A nation which forgets its defenders, will itself soon be forgotten." I for one am committed to ensuring this nation never forgets the sacrifices that so many endured in order that we may enjoy the freedoms that have made our country so great.

IN RECOGNITION OF THE 50TH ANNIVERSARY OF THE LAND AND WATER CONSERVATION FUND

**HON. PATRICK MEEHAN**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 17, 2014*

Mr. MEEHAN. Mr. Speaker, I rise today to celebrate the 50th anniversary of the Land and Water Conservation Fund (LWCF) and to acknowledge its continued efforts to safeguard our nation's land, water resources and cultural heritage.

Since its creation, the Land and Water Conservation Fund has preserved land in every state across America. The fund has supported more than 41,000 state and local park projects at no cost to hard-working taxpayers.

In Pennsylvania alone, the self-sustaining LWCF has provided more than \$315 million in funding over the past five decades, benefiting restoration projects at national historic sites such as the Valley Forge National Historic Park and the Gettysburg National Military Park. In addition, the LWCF played a critical role in the creation of the Flight 93 National Memorial in Somerset, PA.

The Land and Water Conservation Fund also spurs outdoor and recreational economic activity in and around preserved lands, accounting for jobs and a strong tax base for our communities.

Mr. Speaker, the Land and Water Conservation Fund has helped to preserve and protect our nation's most precious lands and waters for the past 50 years. I celebrate the Fund and

look forward to the excellent work the LWCF will do in the years to come.

VETERANS TRAUMATIC BRAIN INJURY CARE IMPROVEMENT ACT OF 2014

SPEECH OF

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 16, 2014*

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 4276, the Veterans Traumatic Brain Injury Improvement Act of 2014.

Mr. Speaker, the wars in Afghanistan and Iraq, which have demanded multiple deployments for many of our nation's courageous soldiers, have taken a psychological toll on U.S. service members.

As our brave military men and women fight to defend our great country, they put themselves at risk of combat-related health problems, including traumatic brain injury (TBI), post-traumatic stress disorder (PTSD) and other brain related maladies.

More than 280,000 United States service members have been diagnosed with a degree of TBI in the past 10 years, and more than 19 percent of veterans may have some form of the disorder.

There is no doubt that these fearless men and women suffering from traumatic brain injuries deserve not only our gratitude, but also our support throughout recovery and treatment.

Thanks to the Assisted Living Pilot Program, these veterans struggling daily with TBI will be provided with 24-hour assisted living help.

Mr. Speaker, our United States veterans bravely put their life on the line to defend our freedoms and to keep our nation safe.

By passing H.R. 4276, veterans combating TBI and PTSD will receive assistance to enhance their rehabilitation, quality of life, and community integration.

The Veterans Traumatic Brain Injury Care Act expands the requirements for Veterans Affairs Department reports to affirm the enrollment, completion, and effectiveness of the pilot program.

The community-integrated rehabilitation treatment provided by the pilot program will serve as a vital resource to our veterans as they overcome burdensome health problems.

I urge my colleagues to join me in supporting H.R. 4276 to show their support and gratitude for the sacrifices made by our service men and women, and to ensure that veterans battling traumatic brain injuries receive the care and rehabilitation they deserve.
